DETAILED ACTION

Claims 1-16 are currently pending in this application.

Information Disclosure Statement

Applicant's Information Disclosure Statements, filed on October 11, 2005; November 03, 2006 and March 11, 2009 have been considered. Please refer to Applicant's copies of the 1449 submitted herewith.

Response to Restriction/Remarks

Applicants' election with traverse, the inventions of Group I, claims 1-6 and 11-14, drawn to a process of preparing dimethyl carbonate, in response filed on May 14, 2009 is acknowledged. Applicants' argument that the apparatus used in the preparation of the desired product be examined along with the elected invention was found persuasive. Therefore, the restriction requirement mailed on April 14, 2009 is hereby withdrawn. All the pending claims were examined.

Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

The invention relates to a process of preparing dimethyl carbonate. The process comprises several steps that include a step of recovering the carbon dioxide from exhaust gas of a steam reformer and boiler; some of the recovered carbon dioxide is then used for methanol synthesis as a raw material for steam reformer; and the remaining carbon dioxide is allowed to react with some of the yielded methanol to

Art Unit: 1626

synthesize dimethyl carbonate. The closest prior art is U.S. Patent No. 6,894,080 B2.

Nothing known in the art anticipates or renders the processes as described in this application obvious. Therefore, claims **1-16** are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement for Reasons for Allowance."

Telephone Inquiry

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kamal A Saeed, Ph.D. phone number is (571) 272-0705. The examiner can normally be reached on M-T 7:00 AM- 5:30 PM.

Communication via Internet e-mail regarding this application, other than those under 35 U.S.C. 132 or which otherwise require a signature, may be used by applicant and should be addressed to [joseph.mckane@uspto.gov]. All Internet e-mail communications will be made of record in the application file. PTO employees will not communicate with applicant via Internet e-mail where sensitive data will be exchanged or where there exists a possibility that sensitive data could be identified unless there is of record an express waiver of the confidentiality requirements under 35 U.S.C. 122 by the applicant.
